GEMA online portal:
www.gema.de/portal/app/login

From 2025 on, the registration of works must be carried out independently by the label or artist over the online portal.

So unfortunately we can no longer do this service for you.

as usual please send us your GEMA
Invoice or usage notification confirmation
then nothing stands in the way of your
production.

Information on registering works with GEMA:
www.gema.de/en/music-creators/repertoire/registration

Help for authors and publishers:
